The Dawning Of The Future . . .

In the past, man has experienced peace, frustration, tranquility, and confusion. Eventually, he may see the light and realize the value of history.

With the guidance of former leaders, through their accomplishments and failures, and through education, the United States of America will be able to handle what is in store for future generations.

TO THE DIRECTOR OF THE CELESTIAL SCHOOL SYSTEM:

Jay Brecheisen will approach you seeking employment wherein he can help people, particularly the young and the elderly. His open and honest appearance would cause you to employ him but I have known this man as a colleague in a school system for many years and I want you to know what an outstanding person you will have.

Jay was one of those people on earth who must have understood that his time here was limited because he did - in a short life time - what most of us cannot accomplish in a longer one, if at all.

He was a friend to everyone but particularly to the youngster who needed assistance in meeting the challenges of schools and to those, who like the writer, have reached an age when friendship becomes doubly important.

He works well with his colleagues but usually uses them to obtain things with which he can do his job in a better fashion. He has been known, several times, to ask a former superintendent of schools in a voice choked with emotion, where the materials, supplies and equipment were that he needed so desperately. That man quickly did his bidding while giving Jay high merit ratings.

There was no high school student who needed help who could not obtain it from Jay. He not only helped the youngster with his school work but taught him better working habits and attitudes.

He was, of course, in the wrong business to have made a fortune but he knew that what he takes to your establishment is of much greater importance than that. Hence you will find him willing to work for very little monetary reward. Two examples of his earthly efforts like that can be given.

As Chairman of the committee to plan improvements of his building he could have submitted a report and quit. He didn't and continued to supervise construction obtaining the best possible results.

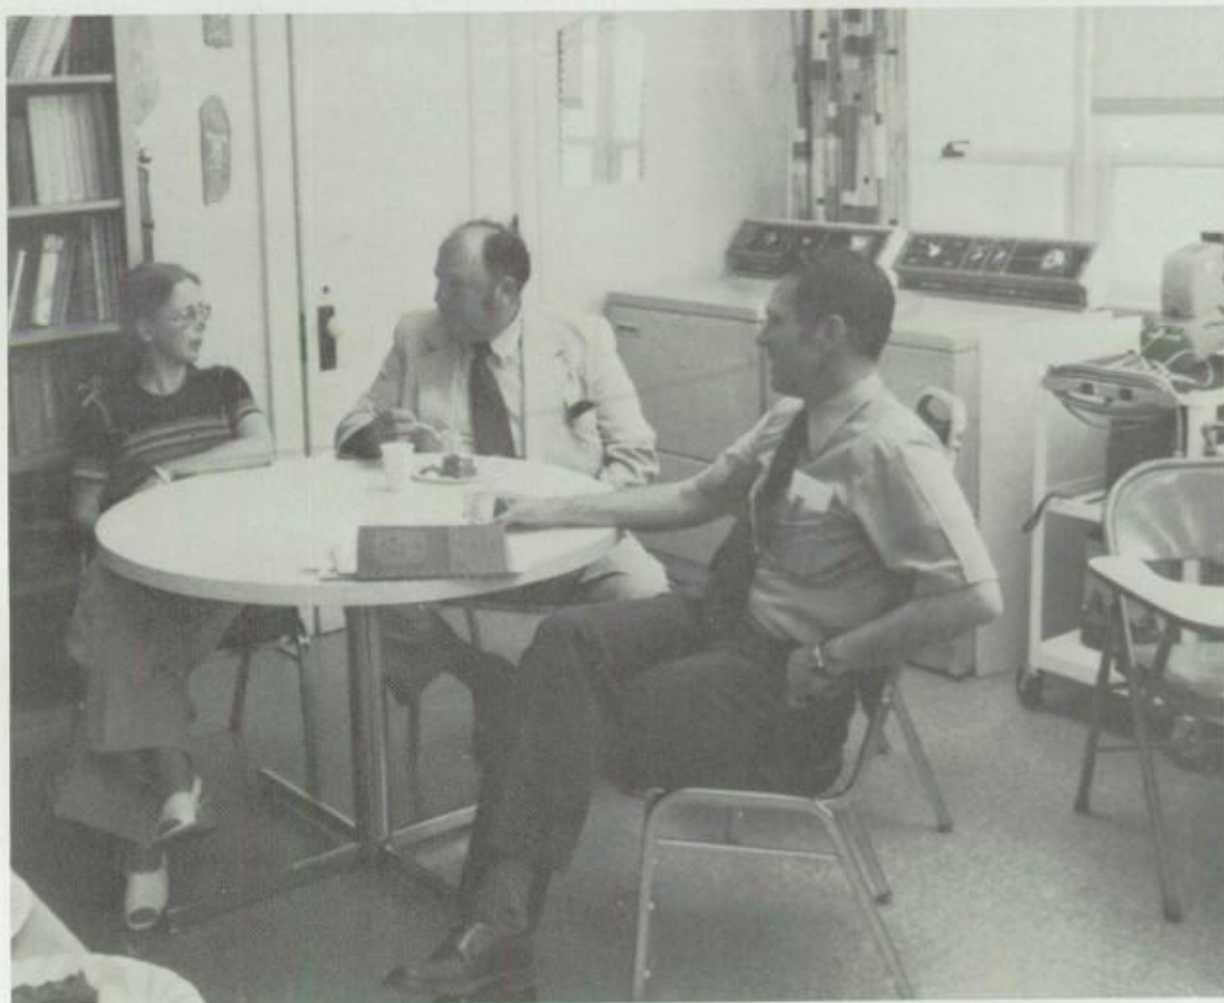

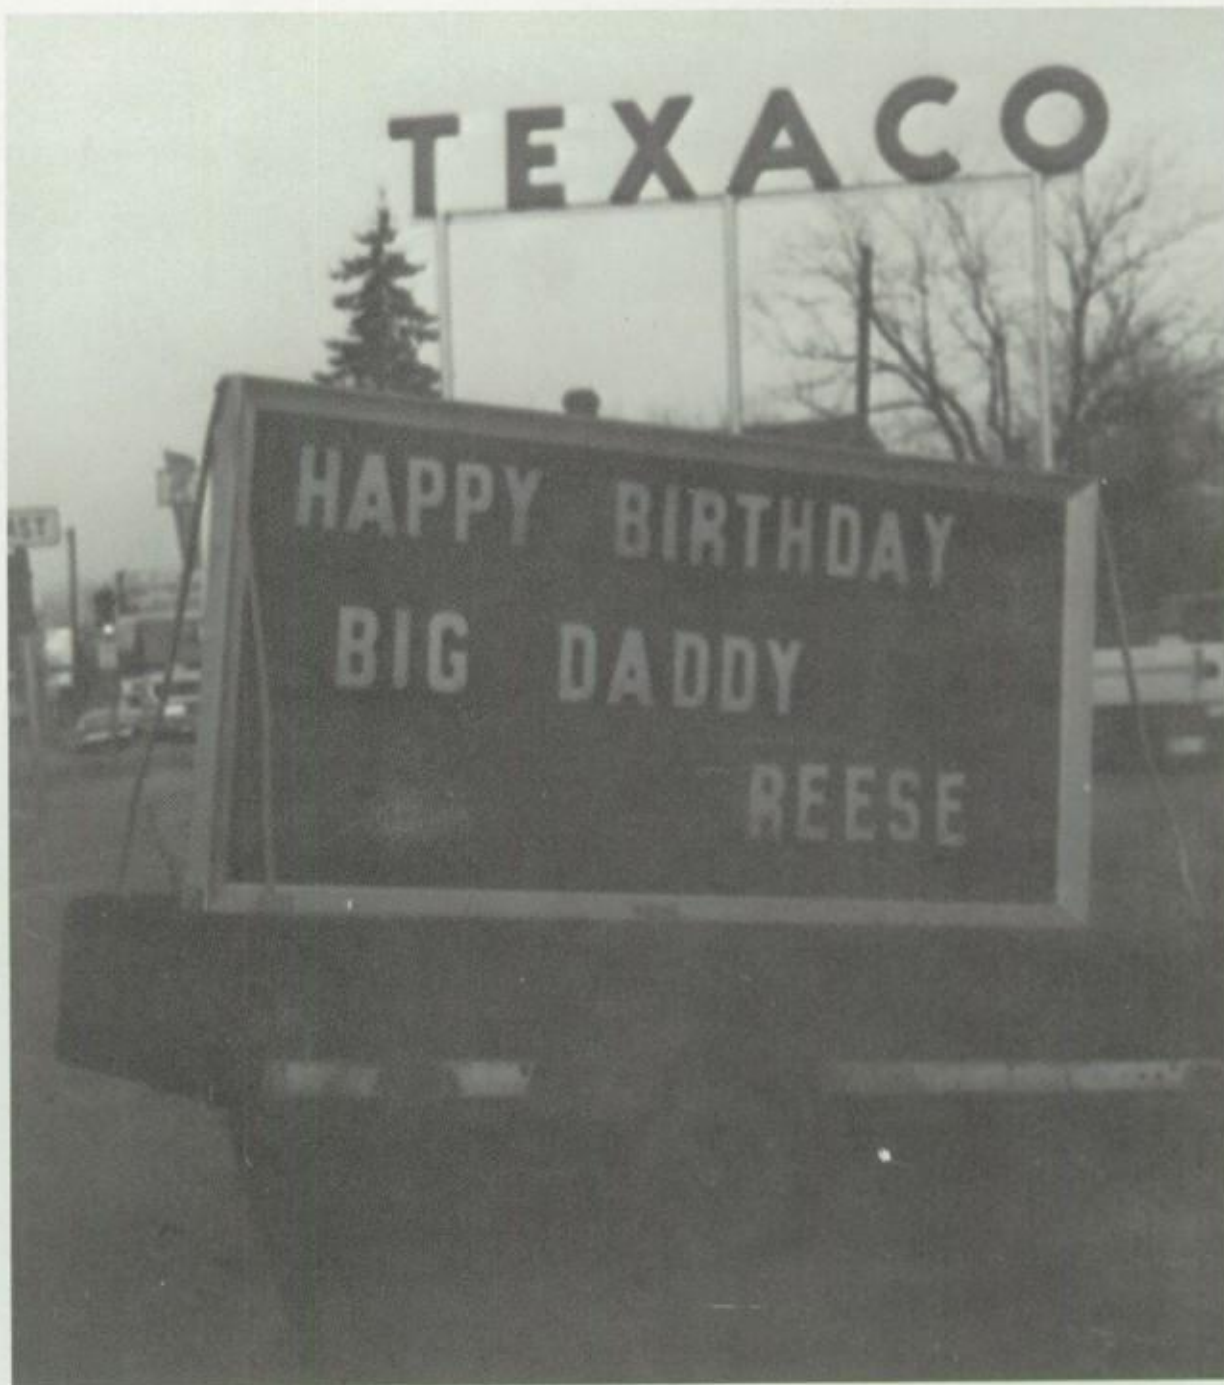

The Drama Program of his school is one of the outstanding ones in the country. Jay's unselfish service as Technical Director and Business Manager was partly responsible for that.

He is a giver, not a taker, and you can be sure he will improve the celestial community where you are.

You cannot do better than to employ him. He can give helpful hints to all the former, great educators on earth and will probably have them organized into a hard-hitting team before this letter reaches you.

Please allow him to do his things as a teacher. You will be glad you did, for no one, even you, can do them better.

English Students Benefit From Films

The full-length, academy award-winning thriller, **REBBECA**, was shown to most of the English classes on Nov. 30 and Dec. 1-2 in the NCHS auditorium.

In this film adaptation of the Daphne du Maurier novel, a woman marries a widower. The new wife begins to discover little reminders of the man's first wife, Rebecca. The man (Sir Laurence Olivier) haunts him. Frightening and puzzling events heighten the new wife's fears and suspicions. The maid seems to want to tell the secret of Rebecca but is sworn to silence. Seemingly, the widower married the second wife because she reminds him of Rebecca. Suspense mounts and a chilling climax finishes the film.

Alfred Hitchcock, master of suspense in films, won an Academy Award nomination for the direction of **REBBECA**.

This film won the Oscar for best picture in 1941 and was nominated for and won several other awards.

In the spring, NC English classes also saw **THE DIARY OF ANNE FRANK** and **THE OWL CALLED MY NAME**, two other award-winning films in conjunction with the novels the English classes are reading.

Activities

Homecoming Week Is Action Packed

The 1976 Homecoming was the highlight of the year for most NCHS students. The festivities began with the Powderpuff football game. The Senior girls took the victory over the juniors and Sophomores with the score of 26-22. The next night, the National Forensic League held a hotdog barbecue and afterwards students went over to the bonfire where Mr. Quinlan was auctioning off the cheerleaders.

The big game had the Mustangs facing Rapid Stevens. There was a Mustang victory of 21-19. After the game, the Homecoming dance was held in the NC gym with music provided by "Cyclone."

John Patton and Cathy Culver reigned over the week's activities, all of which were a tremendous success.

Tweedy Wins At Football Ball

The annual Sadie Hawkins Dance, also known as Football Ball, was held at the Ramada Inn. The girls-ask-guys event was sponsored by Girl's League Council, with music provided by Nasty Habit. The highlight of the evening was the presentation of an autographed football to an outstanding athlete. This year's recipient was Shane Tweedy.

Sweetheart Ball Begins Spring Activities

The first dance of the spring, Sweetheart Ball, was held in the NCHS gym. The dance was attended by many and fantastic music was provided by Four at Home, a band from Cheyenne. Decorations included a "lovers lane." The evening was a tremendous success.

Follies Perform For 50th Year

ANOTHER OPENING OF ANOTHER SHOW was the theme for the Junior Follies' golden anniversary. Over one hundred Juniors participated by showing their dancing, acting, and singing abilities. The performances evolved around a rroup of actors trying to produce a play in a haunted theatre. The ghosts which haunt the theatre, however, have a problem: they have lost the formula which enables them to materialize. Of course, the show goes on, and so does the Follies.

Several dance and singing numbers were performed, such as "Pedaling Along", "Blackbirds", "Football", and the ever-popular "Charleston". With the Grand Finale, the curtain was brought down on this annual event, which was a fabulous performance by the Junior class. All proceeds went to the Junior class to help pay for the Junior-Senior Prom.

Harvey Comes To NC

Mary Chase's delightful comedy hit "Harvey" arrived at NC. The story of a young man and his invisible rabbit was presented by the NCHS players.

"Harvey" concerns a lovable young man named Elwood (Steve Trestik) who has a companion, an invisible white rabbit named Harvey. Elwood has a habit of introducing his friend to everyone, which becomes very embarrassing to his sister, Veta (Pam Guy) and her daughter, Myrtle Mae (Carla Dunlap). Veta, therefore, tries to have Elwood committed, a plan which fails because Veta admits to seeing Harvey, as does a doctor. The morale of the story is that it is better to be strange and contented than sane and friendless.

Lisa Ellbogen, Michelle Hand, Doug Rath, Stuart Day, Peter Larcom, Rose Mysz, and John Andrewjeski were the other wonderful performers in this Pulitzer Prize-winning comedy.

"IRENE" Is Annual Musical

One of the most beloved pre-jazz musicals, "Irene" was performed by the NCHS Players and Orchestra. The musical is the tale of a pretty slum girl from a New York neighborhood of immigrants who wins the heart of a rich young bachelor from a Long Island estate. However, this Cinderella does not win her sweetheart's interest by being simply pretty and charming, she does so by being so clever in business, and soon becomes his deputy in his business enterprise.

A chorus of 50 singers and dancers perform such songs as "Alice Blue Gown," "They Go Wild Over Me," and "Irene." Lynden Kidd is in the title role; John Hovis is her rich

lover; Kathy Ennenga is Mrs. O'Dare, Irene's mother; Carol Hegna and Cathy Culver portray Irene's close friends. Other cast members are Sam Cool, Dawn McNeely, Dan Ellsworth, Steve Emery, Mark Murphy, Sara Ost, and John Andrejeski. Costumes were designed by Mr. Welsh and student directors were Pam Guy and Susan Ackerman.

Cadets Honored At Military Ball

The annual Military Ball was held at the Holiday Inn. Several top awards were given, including the Distinguished Cadet award, received by Dennis Bales. Sgt. Martin Clever was given a Cadet Appreciation award for his many years of military service at NCHS. Other awards were: Charles Van Buskirk- National Sojourners Award; Terry Jensen- U.S. Army 3rd Year Superior Cadet Award; Vicky Hill-Reserve Officers Association Award and Cynthia Millay- National Society of Daughters of the American Revolution Award.

Major Frazier Is New ROTC Head

The 45th year of national ROTC began with the replacement of Col. Waldo Johnson, who retired, with Major Jimmie Frazier, an expert Air Defense Artillery officer from Idaho Falls. The NCHS division boasts 96 active members, several of which advanced in rank this year. Members had a formal military inspection at the National Guard Armory, where the Cadet Battalion gave a briefing on their duties, the drill team performed, and any complaints were aired. In April, the entire battalion took a trip to Fort Carson, Colorado to see how the military there works. War games were held in the spring so that the cadets could demonstrate their military skills.

School Enjoyment Is Council's Goal

The Student Council worked very hard at activities to increase the enjoyment of going to school. The Council's main objective was to make the students feel free at all times to express their opinions. A few of the activities that were sponsored were the Homecoming Dance, activities, and parade, the selling of Valentines and Activities Day. Each class sponsored their own floats, Sweetheart Ball, and participated in various community projects. Money collected was put in the student fund or was used to sponsor other activities.

Activities Day Is Fun-Filled

Lots of sunshine on a hot, spring day helped make Activities Day a day to remember. There were several events and competitors. Susan Ackerman and Chris Jameson won the skateboarding championships; Elliot Kahn won the Pie-Eating contest; the team of Paul Ellbogen won the Volkswagen Pull; the Rubber Raft Race and the Tug-of-war was undecided due to the large number of entrants. A talent contest and a dance was held in the gym.

Cheerleaders Spark Enthusiasm

The Varsity and Sophomore cheerleading squads were made up of thirty-one very energetic girls. Their high spirits and pep were continually behind the Mustang teams whether they won or lost. They supported the boy's as well as the girl's sports, and led all pep assemblies during the year. Whenever they were not enthusiastically supporting their teams, they were raising money through various projects to finance their trip to the State basketball and wrestling tournaments. These projects included selling annual ads, operating a concession stand at the Forensics tournament, selling "puff balls", selling plastic zodiac cups, and selling ads to sponsors in the State Basketball and Wrestling programs. Although the squad was helped with out-of-town meal expenses occasionally by the wrestling team, for the most part, the girls paid their own expenses.

Pep Club Shows Spirit With Victories

With enthusiasm and high spirits, this years Pep Club rallied the sports teams to many victories. Sparked by an outstanding season in sports, the club also helped the student body in school spirit throughout the year. The club made up the locker signs. The hard-working club members will receive letters for their work.

Drill Team Takes High Honors

Liveliness was an evident characteristic of the NCHS Drill Team. Under the direction of Lisa Kerns, the Drill Team has helped keep up school spirit with their imaginative routines. They joined with the band to perform during half-time at the home football games and at two basketball games. The team went to Band Days and competed against some tough teams. They returned home with 3rd over-all and 2nd in their class.

"C" Club Honors Athletes

Many of the fine athletes from NCHS received the honor of belonging to the C-Club. There was a record number of participants in the club this year.

The C-Club is one of the longest running clubs at NC. The club sponsors and runs the concession stand at all of the basketball games and wrestling matches. The proceeds of the concession stand go towards financing the annual Spring Banquet, where many athletic awards are given. The highest honor that a sportsman can receive is the C-Club Blanket, which is obtained after earning six letters in various sports.

The officers this year are Jim Hill, president; Paul Duncan, vice-president; Shane Tweedy, secretary; Dennis Lower, treasurer; and John Patton and John Bouzis, Sergeants at Arms.

GLC Raises Money For Good Causes

With the assistance of co-ordinators Barbara Dobos and Robert Foster, the Girls' League Council not only sponsored several school activities, but also raised money for Muscular Distrophy. The Council sponsored Football Ball, where the top football players received awards for their athletic achievements, the April Fools Dance, sold pickles, and gave out May Baskets. Members of the Council are elected by the female portion of the student body.

FFA Attends Nationals

Future Farmers of America, an agriculture group, spent a busy year helping others learn about their organization. They visited elementary schools, showing them their "Food for America" program. The children got to see baby chicks, a horse, a cow, a young lamb, and a ferret as part of the program.

A national FFA Week was held and several awards were given at the banquet, which highlighted the activities. New DECA Store Opens

The opening of the new school store was among the many activities that the Distributive Education Club of America members engaged in. Essential items such as notebooks and pencils were available as well as candy and other snacks. Twenty-two DECA students attended the Western Regional Leadership Development Conference in Phoenix, Arizona. To aid in paying for their trip to California, members sold hot dogs and pepsi. The largest national club in the U.S.A. attended both State and National contests and did very well at both.

Foreign Language Clubs

The enthusiasm of the language students this year made it possible to reactivate the Spanish Club after several years of inactivity.

The first big step was to organize a money-making project to finance activities. A very successful taco sale was held and helped finance students who went to Denver for the Colorado State Foreign Language Festival. Lenard Garcia received a very good rating in poetry recitation, as did Jan Murphy in sight reading. Rose Mysz got a superior rating in photography for the pictures she took in Spain and got an excellent rating for a drama reading in Spanish. Amy Hogan got a superior in a piano recital featuring a Spanish composer.

After depleting the reserves on the trip, the club prepared the dinners for the Forensics participants at the Casper Invitational, to raise money for next year. Language students prepared different dishes for the annual International Banquet to culminate a year full of memories of tacos, burritos, paells, estofados, ensaladas, and postres.

Cook, Grow And Help Others

The French Club was expanded to include all students in the French program. The club sponsored a trip to the University of Denver Foreign Language Festival. Students returned with several awards, including Outstanding awards to Mark Murphy, Steve Emery, Dave Tweed, and Doug Cole. A two-day candy sale was held to help finance the trip. The club also gave a Christmas party to the twenty-five young children at the Wyoming Children's Home. Santa gave each child a gift. Students made a large personalized ginger bread cookie for the children.

Other activities included participating in the Casper College Foreign Language Festival, where the NCHS skit, "Waiting for Snow White," won first place; the Foreign Language Dinner; and the fielding of a French club soccer team.

Chemistry Clubs Shows It Can Be Fun

One of the school's newest clubs in the Chemistry Club. Most of the year was spent demonstrating not only the uses, but showing how chemistry can be fun, to elementary school children. The club not only traveled around the city doing just that, but also made a lot of new friends in the process.

Band Goes To Shrine Bowl

After three years of planning, the Band made a trip to San Francisco, to attend the Shrine Bowl. Members worked hard to raise money for the trip by selling fruit and raffling off an 8-track stereo. The Band placed 2nd in their division and 3rd over-all.

Tuba player Jerry Johnson received the special honor of playing in McDonald's All-American Marching Band which marched in the New York City Thanksgiving Day Parade. Jerry got to see the sights of NYC before returning home for a late Thanksgiving dinner.

Emery, Works Are State Governors

Annually, delegates from around the state gather in Laramie to participate in a form of mock government that has been taking place since 1941. The purpose is to give the youth an opportunity to study government and to understand it.

NCHS was represented by five boys and six girls. A total of 160 boys and 190 girls attended the convention. Delegates are chosen by members of the American Legion. The only requirement is to run for a political office. Cindy Works was the 1976 girl's governor of Wyoming; Steve Emery was the boy's. The highlights of the week was the meeting of Governor Herschler and the inauguration of the student governor.

Music Groups Maintain Excellence

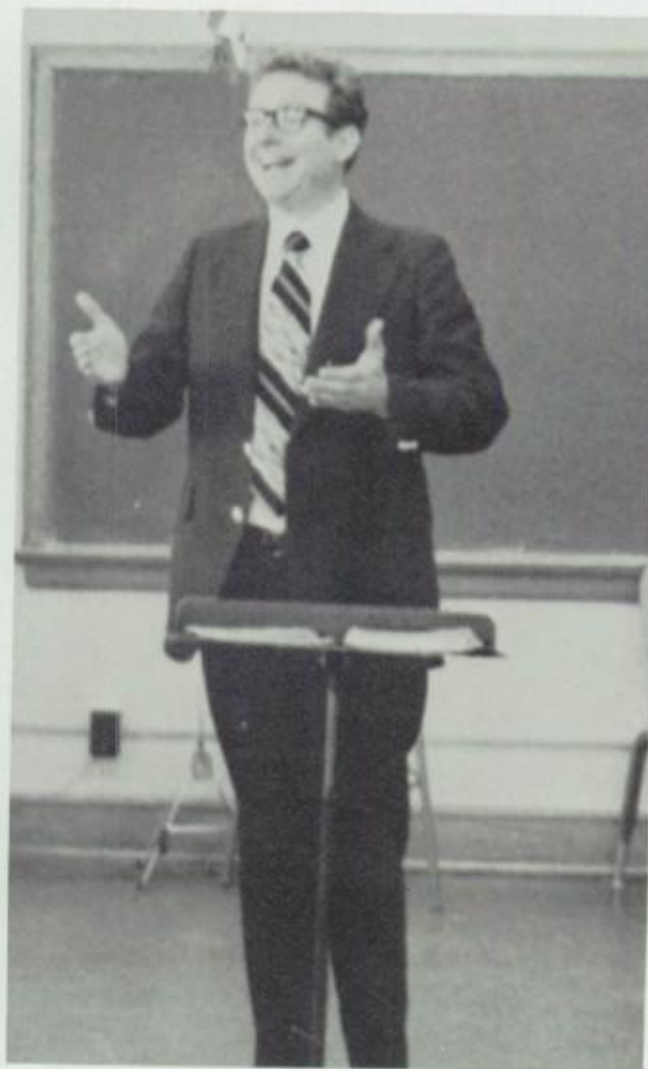

The Chorale and Sophomore Girls Ensemble maintained a tradition of excellence with appearances on school concerts, before elementary and junior high school audiences, and for various clubs and community organizations. At the Sheridan District Music Festival both groups won Superior ratings. Highlighting the year's activities was a trip to Lander which included performances at the State Training School and the Lander Valley High School.

The 180-voice Concert Choir gave three concerts during the school year. Our Christmas program was presented for two student body assemblies, along with an evening concert for parents. Two spring concerts rounded out the year, sharing each program with the NCHS Orchestra and Band.

Key Club Raises Funds For Me

The community service organization of Key Club participated in many fund raising activities. They not only raised money for Muscular Dystrophy, but also for Blue Envelope, the Humane Society and the Jerry Lewis Telethon. They sold raffle tickets to help buy a bus for the handicapped and sold Kleenex.

However, all has not been work. Members attended Key Club District, went to a snow party on Casper Mountain, had soccer games, and went to Kwanis luncheons. For the first time, girls were allowed to join the club. The Key Club is affiliated with the Kwanis, whose regional sponsor is Mr. Dan Roberts. The new Key Club sponsor was Mr. John Simmons.

Very few teams have been able to actually challenge the Mustang tennis team. However, Cheyenne Central has consistently done so in the past. Sophomores Seek Winning Season

The Sophomore team had a successful season with a record of 9 wins-8 losses. The team started the season great by winning 2 of the first 3 of their games. Their playing tapered off however, in the middle of the season. This was soon corrected when the Mustangs succeeded in an end of the season rally. Three of the outstanding players this year were Mark Rizzi, Mike Reather and Mitch Brauchie. These three players were constantly the highest scorers and team leaders.

Cindy Millay won the High ROTC Individual match, Division A; and Jeff Caster won the High ROTC Individual match, Division B, in the NRA Sectionals. There was also competition at the Wyoming State Gallery Rifle Championship. The U.S. Government provides the weapons, ammunition and targets for the team.

SYC. Swimmers Catch "Spring Fever"

Synchronized swimmers swam their way through "Spring Fever" their annual show. Props, designed by the Art Club, were an added addition to the beauty of the water ballet. The show began with "A Star Is Born" with candlelight enhancing the beauty of the pool. The show featured Denise Dehning and Pat Wallace. The synchronized ability was shown in the enchanting song of "The Hills of Yesterday." Grace, beauty and skill were added to the beautiful music of "Nadia's Theme." A total of thirteen numbers were performed to a sel-out crowd. The last number, "The Homecoming", featured a connected four women waterwheel, a crowd pleaser.

NONTRADITIONAL JOBS . . .

Times are changing. People are changing. And so are job opportunities. Slowly but surely, the age-old barriers between "men's jobs" and "women's jobs" are coming down throughout the country. Take a long look at these telephone company employees. They're proving that being the right person for a job really depends on the individual, not on his or her sex. We're working to make sex-stereotypes a thing of the past in our business. But we can't reach our goal without people like these, who have had the interest and initiative to break through traditional job barriers. Sound like your kind of thing? If it does, find out today what a nontraditional job could do for you tomorrow at Mountain Bell.
